Follow up Study

Many of you have been making contact with the families and letting us know of progress. Thank you very much for keeping in touch it has been great to hear from you.

We are sorry that we have not been able to get materials to you as quickly as planned, but we are now pushing ahead with the study and you should all receive materials within the next few weeks. In the meantime please watch your email for the latest information and requests from the Co-ordinating Centre.
